

RAMFAN UB30 Turbo Ventilator

12-Inch/30cm Blower/Exhauster

- Dual Voltage/Dual Frequency/One Unit
- High Impact Polyethylene Shell
- Polypropylene Turbo Fan Blade
- Low Starting Amps
- Stackable Design Feature

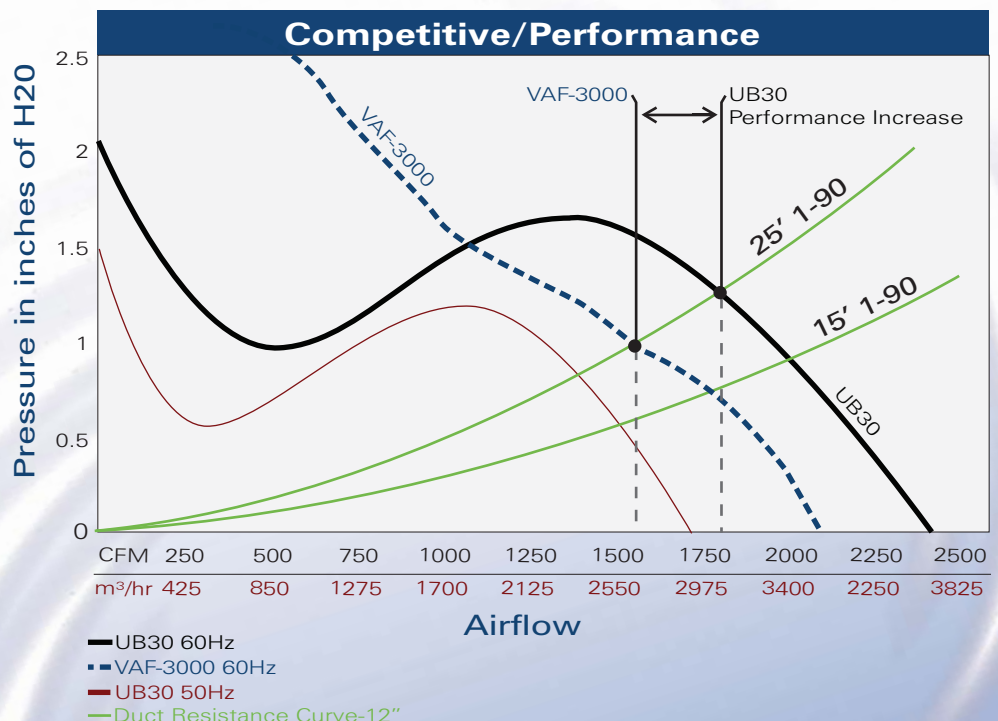

A powerful, new 12 inch RAMFAN is born. Building on "UB" technology, the patent-pending UB30 is simply the toughest, most durable, easy to maintain and versatile blower in its class.

Unmatched performance, dual voltage-dual frequency versatility, tough polymer shell and turbo-impeller design makes for an unbeatable package. Priced to compete and ready to ship, the UB30 is supported by Euramco Safety's key product stocking program in our strategic warehouse locations.

Specifications:
